16.1.1.2 Awards Received by a Student-Athlete While Enrolled as a Full-Time Student.

The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete while enrolled during the academic year (i.e., from the beginning of the fall term through completion of the spring term, including any intervening vacation period) as a regular student in a minimum full-time academic load, or awards received by a student-athlete while representing the student-athlete's institution at any other time. Such awards may not include cash, gift certificates, a cash-equivalent award (i.e., an item that is negotiable for cash or trade or other services, benefits or merchandise) for athletics participation, or a country club or sports club membership.

Figure 16.1 & 16.2 of the NCAA Manual illustrate the types and value limits of awards that may be received by an enrolled student-athlete. For example, seniors may receive a participation award up to a \$325 value. Longwood University awards all seniors a senior blanket for participation at a value of \$35; therefore they cannot receive additional senior awards for participation, valued greater than \$295. Please review this information and submit this form to the Compliance Office BEFORE giving any awards for approval.
