CAMP PHILOSOPHY & OBJECTIVES

This camp is designed for each camper to learn from the most advanced and current softball training techniques available. Girls from ages 8-16, regardless of skill level, will be assessed and provided individual instruction. The emphasis is placed on *hands on learning*—we believe the road to success is through repetition of proper fundamental skills. All camp sessions will be led by well trained and dynamic instructors of the game—professional and collegiate players are used for all instruction—the player to instructor ratio is about 8-10
