### DIRECTOR: TODD DYER

The fall of 2008 will mark the 15th season with Coach Dyer at the helm. A 1993 graduate of Longwood University, he started the women's soccer team in 1994 and has been the only head coach in the history of the program, including a career record of 156-89-13. Having successfully completed a rigorous reclassification to NCAA Division I status and posted back to back winning seasons (24-14-4 combined), he is now poised to continue a winning tradition at the highest level of collegiate women's soccer.
